**GUSTARE OILS & VINEGARS TO OPEN A TASTING ROOM
IN MASHPEE COMMONS**

(Mashpee, MA – January 26, 2010) Gustare Oils & Vinegars of Chatham will be opening their second tasting room in Mashpee Commons in early April. Their new location will be at 4 North Street, across from Coldwater Creek.

Gustare Oils & Vinegars offers over 40 selections of imported olive oils and 12-18 year aged balsamic vinegars in an intimate tasting room. Gustare's 'fresh & flavorful' imported product sampling appeals to food lovers, culinary enthusiasts, well-traveled palettes and health/wellness oriented residents or frequent visitors to the Cape. "Mashpee Commons offers our Gustare guests an opportunity to conveniently organize their diverse shopping and dining plans while visiting the well-known Upper Cape shopping center," said Dave Ferraresi, co-owner of Gustare with his wife Catherine. "After visiting their location in Chatham we were thrilled when a space became available so we could add them to the mix here at Mashpee Commons," said John Renz, Vice President of Leasing.

Mashpee Commons is a unique, exciting and growing center with over 75 fine shops and restaurants. It has received national and international acclaim for its traditional downtown approach to mixed use and retail development and was recently the recipient of the 2009 Business Excellence Reward for Retail from the Cape Cod Chamber of Commerce. Mashpee Commons was also the recipient of the 2005 Award for Best Downtown Shopping District from the Retailers Association of Massachusetts (RAM). Gustare Oils & Vinegars is planning an April grand opening promotion which will be announced on their website and on the Mashpee Commons' website as well.
