

## Apple-of-My-Eye Opener

Servings: 6

### Ingredients

- 1 bottle Proseco, chilled
- 1 bottle pear nectar, chilled
- 1 quart apple cider, chilled
- Gustare Red Apple Balsamic Vinegar**
- champagne glasses, chilled

### Directions

To each champagne glass, add 2 oz. of pear nectar and 1 oz. apple cider. Slowly pour in Proseco to fill the remainder of the glass. Add  $\frac{1}{4}$  t of Red Apple Balsamic Vinegar and stir quickly. Garnish with a thin slice of apple.

## Apple Garnish

### Ingredients

- 2 Gala apples

### Directions

With a paring knife, cut crosswise about  $\frac{3}{4}$ " from the bottom stem. You may have to cut another slice toward the center to expose the star-shaped core. Cut a very thin slice for each glass. Then, cut a slit from the center of the apple slice to the skin to perch on the rim of the glass. Two apples should provide garnish for 6 glasses.
