

## Apple-of-My-Eye Opener

**Servings:** 6

### Ingredients

1 bottle Prosecco, chilled

1 bottle pear nectar, chilled

1 quart apple cider, chilled

### **Gustare Red Apple Balsamic Vinegar**

Champagne glasses, chilled

### Directions

To each champagne glass, add 2 oz. of pear nectar and 1 oz. apple cider. Slowly pour in Prosecco to fill the remainder of the glass. Add ¼ t of Red Apple Balsamic Vinegar and stir quickly. Garnish with a thin slice of apple.

### Apple Garnish

2 Gala apples

With a paring knife, cut crosswise about ¾" from the bottom stem. You may have to cut another slice toward the center to expose the star-shaped core. Cut a very thin slice for each glass. Then, cut a slit from the center of the apple slice to the skin to perch on the rim of the glass. Two apples should provide garnish for 6 glasses.
